

Clermont DD and the Clermont DD Empowers Me nonprofit board are gearing up for their 9th Annual event to benefit programs and services for people with developmental disabilities. Clermont DD's "Lip Sync Battle" will be held on May 20 at Jungle Jim's Paradise Pavilion. For this event, we will be raising funds for our Gift of Time Respite Cooperative.

GOT Respite assists people who have a child or adult with a developmental disability in their care, who need a break in their typical caregiving duties to take care of errands and other special appointments. Two Saturdays per month are devoted to the GOT Respite Cooperative, and your generosity helps them pay for special equipment such as bikes, helmets, educational games, and more.

Sponsorship information for the Lip Sync Battle is below...we hope you will be able to join us!

Saturday, May 20, 2017
